JOB TITLE: Video Editor

REPORTS TO: Video Production Director

JOB SUMMARY: The Video Editor is responsible for visual storytelling at Grace, including producing engaging video stories, video elements for services, motion graphics, promos and social media content. This person will be an experienced and talented video editor with a strong level of understanding of media production, and a desire to push creative boundaries.

Duties & Responsibilities:

- Tell the stories of Grace Church and its people with excellence and emotion through highly engaging video
- Edit a high volume of in-house original videos, create various versions of edits that are optimized for different platforms including in-service and social media
- Produce and edit supporting videos for worship and broadcast, including pre-roll countdowns, motion graphic animations, bumper videos and other content
- Assist the Video Production Director in planning, shooting and editing content
- Collaborate with communication and worship departments to envision and execute creative projects
- Promote the culture, mission, vision, and plans of Grace Church
- In addition to being a great editor, you must also be an all-around creative, with an eye for small details and a passion for big ideas
- Weekly staff and team production meetings

Necessary skills and requirements:

- A dedicated walk with God that prioritizes both church and family
- Desire to see people taking their next step toward Christ
- A learner who is committed to the craft of video and the knowledge of the software, apps, and tools used to share it
- Ability to execute video projects from concept to completion, including gathering all assets, graphics, animations as needed
- Expert level knowledge of the usual suspects (Premiere, After Effects)
- Advanced level knowledge of color grading a variety of footage
- Motion graphics and animation skills

- Experience with sound design and general audio best practices
- Camera experience a huge plus
- Understanding of the latest social media platforms and trends
- Highly creative, organized and able to work both collaboratively and independently
- Hours and office time flexible
