

EARLY CHILDHOOD COMMITMENT CARD

HEY PARENTS!

We are so excited to partner with you as we help your kids take their next step toward Christ. We believe that no child is too young to be learning about generosity, whether that means to be generous with their things or generous with their money.

As we enter into *The Good Initiative* as a whole church, our primary goal is to have 100% engagement, so we want to engage our kids too! In Gracekids, this means that we are going to be talking about what the Bible has to say about being generous, what God has given us, and how we should be generous with what we have been given. We are so excited to see all the ways God is going to show them what it really means to do good and live a life for God.

On the weekend of November 5/6th, we will have our Kids Commitment Weekend. This will be an opportunity for kids to accept *The Good Challenge* and to put their generosity in action. Talk and pray with your child about the ways they want to do good this year. Fill out this card together and bring it back along with what you have decided to give on our Kids Commitment Weekend.

**All monetary donations will go toward The Good Initiative and all toy donations will go to families who have suffered disaster or personal tragedy.*
